15. Prohibited Trading Techniques

15.1. **Circumvention & Reverse Engineering:** You shall not unlawfully access or attempt to gain access, reverse engineer or otherwise circumvent any security measures that we have applied to our Services and/or computer system(s). If, at our sole discretion, we were to determine that you are in breach of this clause, we reserve the right to take all action as we see fit, including, without limitation, completely blocking access to our Services, blocking and/or revoking your Access Codes and/or terminating your Account. Under these circumstances, we reserve the right to seize any profits and/or revenues generated directly or indirectly by exercising any such prohibit trading activity and we shall be entitled to inform any interested third parties of your breach of this clause; we have, and will continue to develop any tools necessary to identify fraudulent and/or unlawful access and use of our Services; any dispute arising from such fraudulent and/or or unlawful trading activity will be resolved by us in our sole and absolute discretion, in the manner we deem to be the fairest to all concerned; that decision shall be final and/or binding on all participants; no correspondence will be entered into.

15.2. **Artificial Intelligence Software:** It is absolutely prohibited to use any software, which we determine, at our sole discretion, to have as its purpose to apply any kind of artificial intelligence analysis to our Services and/or computer system(s) with an ultimate purpose of gaining unfair advantage and exploiting our trading facility; in the event that we determine, at our own discretion, that any such artificial intelligence software has been used, or is being used, we reserve the right to take all actions as we see fit, including, without limitation, completely blocking access to our Services, blocking and/or revoking your Access Codes and/or terminating your Account. Under these circumstances, we reserve the right to seize any profits and/or revenues generated directly or indirectly by exercising any such prohibited trading activity and/or charge you with extra fees. In addition, we shall be entitled to inform any Interested third parties of your breach of this clause; we have, and will continue to develop any tools necessary to identify fraudulent and/or unlawful access and use of our Services; any dispute arising from such fraudulent and/or or unlawful trading activity will be resolved by us in our sole and absolute discretion, in the manner we deem to be the fairest to all concerned; that decision shall be final and/or binding on all participants; no correspondence will be entered into.

15.3. Moreover, it is absolutely prohibited to use any software in such a way which can cause serious negative impact on the performance of our servers and may prevent us from achieving the best possible result for our clients as regards the execution of their orders. The concept of using trading strategies aimed at exploiting errors in prices and/or concluding trades at off-market prices and/or by taking advantage of internet delays (commonly known as “arbitrage”, “sniping” or “scalping” hereinafter, collectively, referred to as “Arbitrage”), cannot exist in an OTC market where the client is buying or selling directly from the principal; accordingly, we reserve the right, at our sole discretion, NOT to permit the abusive exploitation of Arbitrage on our Services and/or in connection with our Services; any Transactions or Contracts that rely on price latency arbitrage opportunities may be revoked, at our sole discretion and without prior notice being required; furthermore, in those instances, we reserve the right, at our sole discretion and without prior notice being required: (a) to make the necessary corrections or adjustments on the Account(s) involved (including, without limitation, adjusting the price spreads available to the client); (b) to restrict the Account(s) involved access to streaming, instantly tradable quotes (including, without limitation, providing manual quotations only and submitting any Orders to our prior approval); (c) to retrieve from the Account(s) involved any historic trading profits that we can document as having been gained through such abuse of liquidity at any time during the client relationship; (d) to terminate the client relationship and/or close all Accounts involved (including, without limitation all other Accounts held by the same Account holder with us) immediately by giving written notice; and/or (e) to inform any interested third parties.

15.5. Any indication or suspicion, in Scope Market’s sole discretion, of any form of arbitrage (including but not limited to risk free profiting), abuse (including but not limited to participant's trading activity patterns that indicate that the participant solely aims to benefit financially without being genuinely interested in trading in the markets and/or taking market risk), internal hedging in coordination with other parties, fraud, manipulation, cash-back arbitrage or any other forms of deceitful or fraudulent activity, will constitute all Transactions carried and/or profits or losses garnered as invalid. In these circumstances, we reserve the right to close/suspend (either temporarily or permanently) all of the Client’s trading Accounts and/or cancel all Transactions. In view of the above, please note that you will be strictly prohibited from opening any new trading Account(s) and trade with our Company.
